What is AICAD and the Virtual Fair?

The Association of Independent Colleges of Art and Design (AICAD) is a non-profit consortium of 36 art and design schools in the United States and Canada. All AICAD member institutions have a curriculum with full liberal arts and sciences requirements complementing studio work, and all are accredited to grant Bachelor of Fine Arts and/or Master of Fine Arts degrees.

# What is AICAD and the Virtual Fair?

The **Art & Design Virtual Career Fair,** will allow you to connect with employers and organizations across the country. Participating employers and organizations, will be meeting with students and alumni from 21 AICAD schools.

During the fair you will be able to share your resume and portfolio with employers using video chat and screen share.

Participants will include graduates of BFA and MFA programs from the classes of 2020, 2021, and 2022 (juniors, seniors, graduate students and recent grads).
