WELCOME

Welcome to Columbus College of Art & Design.

We're proud to host the central Ohio region of this prestigious national competition. And we're excited to present the top young visual arts talent in central Ohio. The judging was intense. Nearly 1,200 individual pieces and 65 portfolios were submitted from students in grades 7-12 in the 13-county region. This year, five pieces will be nominated for the American Visions award, regional acknowledgements will go to 48 pieces at the Gold Key level, 31 pieces will receive Silver Key awards and 148 will receive Honorable Mention awards.

We know the tremendous value of creative talent in today's global economy. So we do more than just display the artwork of these gifted students: CCAD offers scholarships ranging from \$250 to attend a summer pre-college program to half tuition to seniors who are selected for a national Scholastic Gold Medal.

Here's to the next generation of creative talent! Enjoy the exhibition. We know you'll be as impressed as we are.
